

CLASSIFICATION SYSTEM BY FIELD AND SUB-FIELD OF EXPERTISE SUPPLIERS REGISTRY OF GOODS AND SERVICES ENAP GROUP OF COMPANIES

I. Suppliers are classified in three groups:

| Classification |
|---------------------------------------|
| Equipments, materials and spare parts |
| Works |
| Services |

II. Each group is classified in fields of expertise, as follows:

| Classification | Field of expertise |
|--|--|
| Equipments, materials and spare parts | Equipments |
| | Materials and Spare Parts of the industry |
| | General Materials |
| Works | Civil Works |
| | Mechanical Works |
| | Electric, Electronic and Instrumentation Works |
| Services | Foods |
| | Sample Analysis and Treatments |
| | Leasings |
| | Cleaning |
| | Consulting, Engineering |
| | Training in Administration and Services |
| | Computer Services |
| | Communications and Telephone |
| | Engineering Studies |
| | Manufacturing of Equipments and Materials |
| | Photocopying and Photography Services |
| | Laundry |
| | Maintenance |
| | Government Organizations |
| | Outsourcing |
| | Professionals and Technicians |
| | Publicity and Promotions |
| | Insurance |
| | Health Services |
| | Maritime Services |
| | Customs Services |
| | Utilities |
| | Financial Services |
| | Oil Services |
| | Environmental Health |
| | Subscriptions and Editing |
| | Transport |
| | Waste Treatment |
| | Trips & Catering |

III. Each field of expertise is classified as follows:

Classification: Equipments, materials and spare parts

| Field of expertise | Subfield of expertise |
|--|---|
| Equipments | Pumps and Motor Pumps |
| | Heating, Cooling and Air Conditioning Equipments |
| | Computer and Information Systems, Equipments and Supplies |
| | Telephone and Communication Equipments |
| | Fire Protection Equipments |
| | Electric Equipments and Elements |
| | Household Appliances |
| | Thermal Generation equipments, Furnaces and Boilers |
| | Hydraulic Equipments |
| | Instrumentation and Control Equipments |
| | Heat Exchangers |
| | Laboratory Equipment |
| | Heavy Duty Machinery |
| | Vessels and Seabord Terminal Equipments |
| | Drilling Equipments and Elements |
| | Radioactive Equipments and Elements |
| | Recreational and Fitness Equipments |
| Welding, Cutting and Roughing, Equipments and Supplies | |
| Water Treatment Equipments | |
| Motors and Compressors | |

| Field of expertise | Subfield of expertise |
|--|---|
| Materials and Spare Parts of the industry | Furnaces and Boilers, Spare Parts and Fittings |
| | Oils, Lubricants and Greases |
| | Adhesives and Sealers |
| | Agricultural Chemicals, Fertilisers, Herbicides, Fungicides |
| | Insulation, Mineral Wool, Coatings |
| | Wires, Cables, Cords |
| | Seats and Bases |
| | Heat-Shrunk Covers and Belts |
| | Fuel Oil Supply |
| | Industrial Cleaning Supplies |
| | Spare Parts for Motors, Pumps and Valves |
| | Industrial Safety Elements |
| | Transmission Elements |
| | Fastening Elements |
| | Elements for Maneuver, Hawsers and Cargo Slings |
| | Packagings, Containers and Accessories |
| | Industrial Filters |
| | Fittings and Flanges |
| | Gas |
| | Manual and Mechanical Tools |
| | Concrete and Precast Concrete |
| | Ring Joints and Gaskets |
| | Hoses and Flexible tubings |
| | Building Materials |
| | Electric Materials |
| | Plastic Materials and Elements |
| | Hardware supplies |
| Lighting Materials | |
| Instrumentation and Control Products | |

| Field of expertise (cont...) | Subfield of expertise (cont...) |
|--|---|
| Materials and Spare Parts of the industry | Computer Materials and Supplies |
| | Laboratory Materials and Supplies |
| | Medical, Dental and Pharmaceutical Supplies |
| | Metallurgical Materials |
| | Heat Resistant Materials |
| | Sulzer Train Materials, Parts and Spare Parts |
| | Batteries and Chargers |
| | Chemical Products |
| | Vehicle Accessories and Spare Parts |
| | Roller Bearings and grips |
| | Personal Safety Clothing |
| | Sealers and O-Rings |
| | Tubing, Casing and Accessories |
| | Industrial Valves and Control Valves |

| Field of expertise | Subfield of expertise |
|--------------------------|--|
| General Materials | Office Supplies and general equipment |
| | Cleaning Supplies |
| | Office Furniture |
| | Administrative Personnel Clothing and others |

Classification: Works

| Field of expertise | Subfield of expertise |
|---------------------|--|
| Civil Works | Thermal Insulation |
| | Industrial Anchorages |
| | Sanding, Tarring and Painting |
| | Street and Road Construction |
| | Construction of Buildings and Camps |
| | Foundations |
| | Metal Sheds, Fences and Others |
| | Refractory Installation |
| | Earthworks and Excavations |
| | Construction of Docks and Bridges |
| | Demolitions |
| | Fluvial or Ocean Bed Extraction Works |
| | Impermeabilization Works |
| | Maritime and Fluvial Works |
| | Urbanization and Public Services Works |
| | Construction of Safety Nets |
| Industrial Coatings | |
| Epoxy Coatings | |

| Field of expertise | Subfield of expertise |
|-------------------------|---|
| Mechanical Works | Construction and Installation of Air Conditioning and Heating Equipme |
| | Construction and Installation of Estructures and Equipments |
| | Construction and Installation of Tanks and Towers |
| | Construction and Installation of Furnaces and Boilers |
| | Construction and Installation of Hydraulic Works |
| | Construction and Installation of Pipes and Oilpipes |
| | Construction and Installation of Piping Process Areas |

| Field of expertise | Subfield of expertise |
|---|---|
| Electric, Electronic and Instrumentation Works | Installation of Optic Fiber Nets |
| | Installation of Telephone Systems |
| | Electronic and Instrumental Assembly |
| | Electrical Assembly |
| | Low and Medium Voltage Electrical Works |
| | High Voltage electrical Works |

Classification: Services

| Field of expertise | Subfield of expertise |
|--------------------|---------------------------------------|
| Foods | Restaurant Service for Personnel |
| | Special Services, Groceries, Cocktail |

| Field of expertise | Subfield of expertise |
|---------------------------------------|-------------------------------|
| Sample Analysis and Treatments | Laboratory Tests and Sampling |

| Field of expertise | Subfield of expertise |
|--------------------|---------------------------------|
| Leasings | Leasing of Scaffolds |
| | Leasing of Vehicles |
| | Leasing of Buildings |
| | Leasing of Camps |
| | Leasing of Vessels |
| | Leasing of Maritime Equipment |
| | Leasing of Computer Equipments |
| | Leasing of Heavy Duty Machinery |
| | Leasing of Photocopiers |

| Field of expertise | Subfield of expertise |
|--------------------|---|
| Cleaning | Cleaning of Buildings, Streets and Others |
| | Industrial Cleaning, Chemical Washing |
| | Cleaning of Offices |

| Field of expertise | Subfield of expertise |
|--------------------------------|--|
| Consulting, Engineering | Administration Consulting |
| | Architecture, Urban Planning, Landscape, property valuations |
| | Auditing and Accounting Consulting |
| | Quality Control and ISO Standards Consulting |
| | Foreign Trade Consulting |
| | Oceanographic Studies and Consulting |
| | Exploration Studies |
| | Financial Consulting |
| | Geological Studies |
| | Information Technology Consulting |
| | Maritime and Ships Administration Consulting |
| | Marketing and Publicity Consulting |
| | Human Resources Consulting |
| | Inspection and Certification Services |
| | Legal and Labor Consulting |
| | Environmental Consulting |
| Prevention of Risks Consulting | |

| Field of expertise | Subfield of expertise |
|--|--|
| Training in Administration and Services | Training in Administration and Finance |
| | Training in Computers and Information Systems |
| | Training in Environment and Quality Management |
| | Training in Languages and Translation |
| | Training in Engineering and Processes |
| | Post Graduate Qualifications |
| | Training in Human Resources |
| | Technical Training |
| | Training in Personnel Administration |
| | Other Trainings |

| Field of expertise | Subfield of expertise |
|--------------------------|--|
| Computer Services | Installation of Computer Networks |
| | Development of Computer Systems |
| | Software and Licenses Supply and Maintenance |

| Field of expertise | Subfield of expertise |
|-------------------------------------|---------------------------------------|
| Communications and Telephone | Communications and Telephone Services |

| Field of expertise | Subfield of expertise |
|----------------------------|---|
| Engineering Studies | Civil Engineering |
| | Electrical Engineering |
| | Electronic Engineering |
| | Mechanical Engineering |
| | Naval Engineering |
| | Processes Engineering |
| | Studies in Topography and Measurement of Land Surface |
| | Soil Mechanics |

| Field of expertise | Subfield of expertise |
|--|--------------------------|
| Manufacturing of Equipments and Materials | Boilermaking |
| | Foundry |
| | Ship Building and Repair |
| | Die Making |

| Field of expertise | Subfield of expertise |
|--|-------------------------------|
| Photocopying and Photography Services | Map and Drawing Digitization |
| | Printing, Binding |
| | Photocopy and Copies of Plans |
| | Photography and Framing |

| Field of expertise | Subfield of expertise |
|--------------------|---|
| Loundry | Industrial Loundry Services for Safety Elements |
| | Loundry Services |

| Field of expertise | Subfield of expertise |
|--|---|
| Maintenance | Chemical Cleaning and Maintenance of Equipments |
| | Calibration and Maintenance of Equipments and Scales |
| | Building and Outdoor Areas Maintenance |
| | Electronic and Instrumentation Maintenance |
| | Ships and Terminal Maintenance |
| | Information Networks and Computer Equipment Maintenance |
| | Industrial Facilities, Chimeneys and Tanks Maintenance |
| | Green Areas and Garden Maintenance |
| | Mechanical Maintenance |
| | Civil Works Maintenance |
| | Maintenance of Oil and Gas Pipes |
| | Oil Wells Maintenance |
| | Predictive Maintenance |
| | Vehicle and Heavy Duty Machinery Maintenance |
| | Repair and Maintenance of Air Conditioning Equipment |
| | Electrical Maintenance |
| | Electromechanical Maintenance |
| | Maintenance of Medical Equipment |
| | Maintenance of Office Equipments |
| | Maintenance of Turbine Engines |
| Maintenance of Insulating Refractories | |
| Maintenance and Repair of Fences | |
| Other Maintenance | |

| Field of expertise | Subfield of expertise |
|---------------------------------|--------------------------|
| Government Organizations | Government Organizations |

| Field of expertise | Subfield of expertise |
|--------------------|--|
| Outsourcing | Services for Recreational and Fitness Activities |
| | Services of Storage Operations |
| | Messenger, Chauffeur, Support Services |
| | Security and Surveillance Services |

| Field of expertise | Subfield of expertise |
|--------------------------------------|--|
| Professionals and Technicians | Professional, Technical and Other Services |

| Field of expertise | Subfield of expertise |
|---------------------------------|------------------------------------|
| Publicity and Promotions | Publicity and Promotional Services |

| Field of expertise | Subfield of expertise |
|--------------------|-----------------------|
| Insurance | Insurance Companies |

| Field of expertise | Subfield of expertise |
|------------------------|------------------------------------|
| Health Services | Pharmacies |
| | Medical Center, Clinics, Hospitals |
| | Medical Laboratories |
| | Medical and Paramedical Services |
| | Mutual Benefits |

| Field of expertise | Subfield of expertise |
|--------------------------|---------------------------------------|
| Maritime Services | Procurement of Ships |
| | Maritime and Submarine Inspection |
| | Stevedoring Services |
| | Boatage Services |
| | Vessel and Towage Services and Others |

| Field of expertise | Subfield of expertise |
|-------------------------|-----------------------------|
| Customs Services | Clearance Services -Customs |

| Field of expertise | Subfield of expertise |
|--------------------|-----------------------------------|
| Utilities | Water, Electricity and Gas Supply |

| Field of expertise | Subfield of expertise |
|---------------------------|---------------------------|
| Financial Services | Financial Services, Banks |

| Field of expertise | Subfield of expertise |
|---------------------|--------------------------------|
| Oil Services | Drilling and Sounding Services |

| Field of expertise | Subfield of expertise |
|-----------------------------|--------------------------|
| Environmental Health | Plague Control |
| | Remediation and Cleaning |

| Field of expertise | Subfield of expertise |
|----------------------------------|--------------------------------------|
| Subscriptions and Editing | Publications, Books, Journals, Norms |

| Field of expertise | Subfield of expertise |
|--------------------|---|
| Transport | Air Freight and Personnel Air Transport |
| | Hazardous Materials Transportation |
| | Mail and Parcels |
| | Personnel and Cargo Maritime and Fluvial Transportation |
| | Transport of Crude and Clean Products |
| | Transport of Industrial Wastes |
| | Cargo Road Transport |
| | Personnel Road Transport |

| Field of expertise | Subfield of expertise |
|------------------------|--------------------------------|
| Waste Treatment | Treatment of sewages |
| | Treatment of Industrial Waters |
| | Treatment of Liquid Wastes |
| | Treatment of Solid Wastes |

| Field of expertise | Subfield of expertise |
|-----------------------------|-----------------------|
| Trips & Catering | Travel Agencies |
| | Catering and Lodging |

BORRADOR
